## Statement of Justification

Provide a separate document titled "Statement of Justification" (including Date) that addresses each/all of the following:

- Unnecessary hardship would result from the strict application of Land Development Ordinance Section(s)
   \_\_all separately>\_\_\_.
- 2. The hardship results from conditions that are peculiar to the property, such as location, size, or topography. Hardships resulting from personal circumstances, as well as hardships resulting from conditions that are common to the neighborhood or the general public, may not be the basis for granting a variance. A variance may be granted when necessary and appropriate to make a reasonable accommodation under the Federal Fair Housing Act for a person with a disability.
- 3. The hardship did not result from actions taken by the Applicant or the Property Owner. The act of purchasing property with knowledge that circumstances exist that may justify the granting of a variance is not a self-created hardship.
- 4. The requested Variance is consistent with the spirit, purpose, and intent [of the Land Development Ordinance], such that public safety is secured, and substantial justice is achieved.

## **Property Owner Notification List / Notification Letter Requirement**

Per State Statute 160D-406(b) - Notice of Hearing. — Notice of evidentiary hearings conducted pursuant to this Chapter shall be mailed to the person or entity whose appeal, application, or request is the subject of the hearing; to the owner of the property that is the subject of the hearing if the owner did not initiate the hearing; to the owners of all parcels of land abutting the parcel of land that is the subject of the hearing; and to any other persons entitled to receive notice as provided by the local development regulation. In the absence of evidence to the contrary, the local government may rely on the county tax listing to determine owners of property entitled to mailed notice. The notice must be deposited in the mail at least 10 days, but not more than 25 days, prior to the date of the hearing. Within that same time period, the local government shall also prominently post a notice of the hearing on the site that is the subject of the hearing or on an adjacent street or highway right-of-way. The board may continue an evidentiary hearing that has been convened without further advertisement. If an evidentiary hearing is set for a given date and a quorum of the board is not then present, the hearing shall be continued until the next regular board meeting without further advertisement.

Provide on a separate sheet, list of all property owners as described above in 160D-406(b) (per Wake County tax records at the time of filing this Application).

When the Board of Adjustment (BOA) meeting is scheduled by Town Staff, the Applicant/Property Owner shall create and mail a Notification Letter (to that list) regarding the application and the date/time/location of that Quasi-Judicial Hearing before the Board of Adjustment. A Letter shall also be mailed to the Town Planning Department to demonstrate compliance with this State requirement.
