

# REUSE, REDUCE, & RECYCLE

@ THE

# Recycling Round-Up

## PAPER SHREDDING

Bring as many paper documents as you want in as many trips as you want and they'll be securely shredded into little bits and pieces. Old taxes, check registers, bank statements...bring them all! Cardboard, large clips, binders, and plastic bags are not accepted and need to be removed before shredding occurs.

## ELECTRONICS RECYCLING

As of July, 2011, it became unlawful to dispose of electronics into the landfills and they must be recycled. The Town of Rolesville is partnering with local Boy Scout Troop 141 to organize a vendor to be on hand to collect all TVs, computer screens/monitors, keyboards, computers (make sure hard drive is removed/erased if concerned) radios, power cords or surge protectors, printers, toasters, video players, etc. The Boy Scouts will be on hand accepting donations as they help unload any of these small consumer electronics.

BOY SCOUTS  
OF AMERICA®

**SATURDAY, APRIL 9, 2016 - 9 AM TO 12 NOON**  
**ROLESVILLE TOWN HALL (502 SOUTHTOWN CIRCLE)**
