The Board of Directors may establish reasonable rules and regulations concerning the use of the Common Area, including but not limited to the Amenities, and the Lots. All rules and regulations shall be uniform with respect to the Lots. Notwithstanding anything to the contrary in this Declaration, the Board of Directors may not suspend an Owner's right of

ingress and egress over the Common Areas and right to the use of parking spaces as provided in this Declaration.

Section 2.07. Taxes on Common Area. ARTICLE III **MEMBERSHIP AND VOTING RIGHTS**

3.01. Membership. Every Owner of a Lot shall be a Member of the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Ownership of a Lot shall be the sole qualification for membership. The Board of Directors may make reasonable rules relating to the proof of ownership of a Lot. Following termination of the Properties as a planned community under the provisions of the Planned Community Act, all Persons are entitled to distributions of proceeds under the Planned Community Act shall be Members of the Association.

No Owner, whether one or more Persons, shall have more than one (1) membership for each Lot owned. In the event the Owner of a Lot is more than one Person, the votes associated with such Lot shall be cast as provided in the Planned Community Act.

3.02. Membership Classes. The Association shall have two classes of voting membership:

Class A: Class A Members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B: The Class B Member(s) shall be the Declarant, or its assigns, and shall be entitled to three (3) votes for each Lot owned. The foregoing allocation of votes is in

The Class B membership shall be reinstated if before December 31, 2011 additional lands are annexed to this Declaration as hereinafter provided. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(a) When 75% of the maximum number of Lots allowed for the Properties (as amended and supplemented from time to time) under the subdivision plan have been conveyed to Owners; or

The Declarant, for each Lot owned with the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual Assessments or charges, and (2) collected as hereinafter provided. All annual assessments shall be fixed at a uniform rate for all Lots; provided, however, as to any Lot which is not a Lot in use (owned by Declarant or its' assigns), the amount of the annual assessment for each such Lot shall be an amount equal to twenty-five percent (25%) of the amount of the annual assessment applicable to a Lot which is a Lot in use. Assessments may be collected on an annual, semi-annual or quarterly basis as determined by the Board from time to time. The annual and special assessments, together with interest thereon, applicable late fees and the costs of collection thereof, including reasonable attorney fees, shall be a charge on the Lot and shall be a continuing lien upon such Lot against which each such assessment is made until paid in full. Each such Assessment, together with such interest, late fees and costs of collection, including reasonable attorney fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 4.02. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to pay the Common Expenses and to promote the beautification of the Property, the recreation, health, safety and welfare of the residents of the Property, to enforce these covenants and the rules and regulations of the Association, and in particular for the acquisition, improvement and maintenance of the Common Area, services and facilities devoted to these purposed and related to the use and enjoyment of the Common Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the cost

of maintenance as provided in this Declaration and, in particular, for the payment of governmental water and sewage disposal charges attributable to the Common Areas, as well as other like expenses, including but not limited to, operation, maintenance and repair of Stormwater Control Measures and for such other purposes permitted by the Planned Community Act Chapter 47F of the General Statutes of North Carolina as now stated and as hereafter amended. Assessments shall include, but not be limited to, the payment of taxes, liability insurance and all assessments for the public improvements of the Common Area, and easements appurtenant thereto, the enforcement of these covenants and the rules of the Association and, in particular, for the improvement and maintenance of the Property, private streets, drives and parking areas, and the employment of attorneys, accountants and other professionals on behalf of the Association when necessary. The Association shall be required to maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Association Common Area out of the assessment levied.

Section 4.03. Reserve Fund. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Areas and those other portions of the Properties or Lots which the Association may be obligated to maintain. Such reserve fund is to be established and maintained out of regular assessments as a common expense, but if the reserve fund is inadequate, a special assessment may be made.

Section 4.04. Maximum Annual Assessment. The following provisions shall not operate so as to restrict the Association or the Board in performing the duties and obligations required of the Association or the Board under the Planned Community Act, but they shall be a limitation on discretionary costs and expenses above and beyond such duties and obligations:

(1) Until January 1, 2007, the maximum amount annual assessment shall be Five Hundred Dollars (\$500.00).

(2) From and after January 1, 2007, the maximum annual assessment may be increased each year not more than twenty percent (20%) above the maximum assessment for the previous year without a vote of the membership. Any budget increasing assessments by less than twenty percent (20%) is ratified unless ninety percent (90%) of the total vote of each class of Members vote to reject the budget at a duly called meeting.

(3) From and after January 1, 2007, the maximum annual assessment may be increased above twenty percent (20%) of the maximum annual assessment for the previous year by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

(4) The Board of Directors may fix the annual Assessment at an amount no in excess of the maximum annual assessment.

(5) Until the Association makes an assessment for Common Expenses, the Declarant shall pay all Common Expenses as required by the Planned Community Act. If the assessments are insufficient to pay all Common Expenses, the Declarant may advance

expenses for the maintenance and operation of the Association to the extent that annual assessments assessed against the Owners are inadequate for this purpose. Such advance shall be to the Association and on terms generally available to Declarant from its lending institution. At such time as the majority of the total votes of the Association are no longer held by the Declarant, its successors or assigns, the Declarant shall have no further obligation for maintenance and operation of the Association pursuant to the terms of this section. Notwithstanding the foregoing, Declarant, its successors and assigns, shall be responsible for the payment of assessments and other amounts pursuant to other sections of this Declaration.

Section 4.05. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, or any other purpose permitted under the Planned Community Act. Any such special assessment shall have the two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Fines levied by the Board of Directors shall be treated as special assessments otherwise due to the Association, and as such, will be a lien against the Owner's Lot if not paid. Such fines shall be paid not later than thirty (30) days after notice of the imposition or assessment of the fines.

Section 4.06. Working Capital Fund. In addition to any other assessment provided in this Declaration, a sum equal to two (2) months of the regular annual assessment applicable to such Lot shall be collected from the purchaser and transferred to the Association at the time of closing of the sale of each Lot to a party other than the Declarant or its' assigns. Each Lot's share of the working capital fund shall be paid to the general operating fund of the Association to be used in the same manner specified for annual assessments. All sums paid into the working capital fund are in addition to and not in lieu of regular assessments for Common Expenses.

Section 4.07. Notice and Quorum for Any Action Authorized Under Sections 4.04 and 4.05. Written notice of any meeting called for the purpose of taking any action authorized under Section 4.04 or 4.05 of this Article shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast twenty percent (20%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, the meeting may be adjourned and another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. This provision shall continue to reduce the quorum by one-half from that required by the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted.

Section 4.08. Uniform Rate of Assessment. Both annual and special Assessments must be fixed at a uniform rate for all Lots and annual assessments shall be

due and payable and collected on an annual, semi-annual or quarterly basis or as deemed appropriate by the Board of Directors.

Section 4.09. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to a Lot on the earlier of the date such Lot was conveyed by the Declarant to a third party purchaser or the date such Lot becomes a Lot in use. The first annual assessment for such Lot shall be adjusted according to the number of months remaining in the calendar quarter or year. The Board of Directors shall adopt a proposed budget for the Association and fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. The Board of Directors shall send to each Member a written summary of the proposed budget and a written notice of the annual assessment due subject thereto. If necessary, a written notice of the meeting of Members to consider ratification of the proposed budget must be sent to all Members at least ten (10) days and not more than sixty (60) days in advance of such meeting called for that purpose. Unless otherwise provided in the Planned Community act, there shall be no requirement that a quorum be present at such meeting to consider ratification of the proposed budget. The proposed budget shall be ratified unless at that meeting a majority (or such smaller percentage as required by the Planned Community act) of the votes of all Members rejects the proposed budget. In the event the proposed budget is rejected, the last ratified budget of the Association shall continue until a new budget is ratified. The due date shall be as previously set forth herein, unless otherwise established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 4.10. Effect of Nonpayment of Assessments. Remedies of the Association. Any assessment remaining not paid thirty (30) days after the due date shall be delinquent. The Association shall have the option to declare the outstanding balance of any assessment due and payable if any installment thereof shall become delinquent as defined herein. If an assessment is not paid within thirty (30) days after its due date, the assessment shall bear interest from its due date at the rate of eighteen percent (18%) per annum, or other such rate as established by the Association as provided in the Planned Community Act, but in no event shall such interest exceed the highest rate allowed by law, and shall also be subject to late fees as approved by the Board of Directors and permitted by law. Sixty (60) days after the delinquency, the Association may bring an action at law against the Owner personally obligated to pay the same for such delinquent assessment, interest thereon, late charges, collection fee or charges, and reasonable attorney fees of any such action, or foreclose the lien against the property in a like manner as a mortgage on real estate under power of sale under Article 2A of Chapter 45 of the General Statutes. For purposes of this Section, the amount of delinquent assessment and late charge shall be considered evidenced by this paragraph and therefore, evidence of indebtedness shall exist hereby. Each Owner, by acceptance of a deed to a Lot hereby expressly grants to the Association, its agents or assigns, the right and power to bring all actions against such Owner personally liable for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the

enforcement of such liens, including foreclosure by an action brought in the name of the Association. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 4.11. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first Mortgage or first deed of trust on a Lot. Mortgagees are not required to collect assessments and nothing in this Declaration shall require that failure to pay assessments shall constitute a default under a Mortgage insured by the U.S. Department of Housing and Urban Development ("HUD"), the U.S. Department of Veteran Affairs ("VA") or by any other governmental mortgage insurance program, such as those by the Federal Home Loan Mortgage Corporation, the Government National Mortgage Corporation or the Federal National Mortgage Association. Sale or transfer of any Lot shall not affect the assessment lien; however, the sale or transfer of any Lot pursuant to the foreclosure of any such Mortgage, deed of trust or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer; provided that the Association and Declarant have been notified of said foreclosure prior to the date thereof. Such unpaid assessments extinguished by the foreclosure sale shall be deemed to be a Common Expense collected from all Owners, including the purchaser at foreclosure, his successors and assigns. No sale or transfer shall relieve any such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 4.12. Exempt Property. The following portions of the Properties, subject to this Declaration shall be exempt from the assessment created herein:

1. All portions of the Property dedicated to and accepted by a local public authority; and
2. The Common Area.

Section 4.13. Fines, Designated to be Special Assessments. The Board may impose fines against any Lot and such fines shall be treated as a special assessment otherwise due to the Association, and as such will be alien against the Owner's dwelling or Lot. Fines shall be paid not later than thirty (30) days after notice of the imposition or assessment of the fines. These fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any fines paid by the offending Owner(s) shall be deducted from or offset against any damages that the Association may otherwise be entitled to recover by law from such Owner. Fines shall be as follows:

- (a) First non-compliance or violation: a fine not in excess of Fifty Dollars (\$50.00).
- (b) Second non-compliance or violation: a fine not in excess of One Hundred Dollars (\$100.00).

- (c) Third and subsequent non-compliance, or violation or violations that are of a continuing nature: a fine not in excess of One Hundred Dollars (\$100.00) for each week of continued violation or non-compliance.

Section 4.14. Association Funds Not Asset of Owners. All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any common expense or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration and the Organizational Documents of the Association. As monies for any assessment are paid to the Association by any Owner, the same may be commingled with monies paid to the Association by the other Owners. Although all funds and common surplus, including other assets of the Association and any increments thereto or profits derived therefrom, shall be held for the benefit of the Members, no Member shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When an Owner shall cease to be a Member by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or for any assessment which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association are an asset of the Association which may be used in the operation and management of the Properties

ARTICLE V

INSURANCE

Section 5.01. Ownership of Policies. All insurance policies upon the Common Area, which shall be purchased by the Association, shall be for the benefit of all the Association and the Owners and their mortgagees as their interest may appear.

Section 5.02. Coverage. The Board of Directors or its duly authorized agent may have the authority to and shall obtain insurance for the Common Area, including but not limited to the recreational facilities, against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard and shall also obtain a broad-form liability policy covering the Common Area and all damage or injury caused by the negligence of the Association or any of its agents in an amount as determined by the Board of Directors, but in any event of not less than One Million Dollars (\$1,000,000.00) per occurrence and shall include an endorsement to cover liability of the Owners as a group to a single Owner. The insurance shall be issued on a comprehensive liability basis and shall contain a cross liability endorsement under which the rights of each named insured under the policy shall not be prejudiced with respect to his action against another named insured. There shall also be obtained such other insurance coverage as the Association shall determine from time to time to be desirable and necessary. Such policies shall contain clauses providing for waiver or subrogation, if possible. All such insurance coverage shall be written in the name of the Association.

Section 5.03. Fidelity Insurance or Bond. The Association may maintain blanket fidelity bonds or other similar insurance coverage for all officers, directors, trustee and employees of the Association and for all other Persons handling or responsible for funds of or administered by the Association. Where the Association has delegated some or all of the responsibility for the handling of funds or to otherwise deal in the assets of the Association to a management agent, such management agent shall first be bonded by a fidelity insurer to indemnify the Association for any loss or default in the performance of their duties.

The total amount of fidelity bond coverage shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event shall the aggregate amount of such fidelity bonds be less than a sum equal to one-half (1/2) of the total annual assessments on all Lots plus reserve funds accumulate.

Fidelity bonds required herein shall:

- A. name the Association as an obligee;
- B. contain waivers by the issuers of the fidelity bond of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions; and
- C. to the extent available without the payment of an additional premium, provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days prior written notice to the Association, to any such agent as the Association shall designate to negotiate settlement of insurance claims on behalf of the Association, and to any institutional lender servicing on behalf of the Federal National Mortgage Association any loan secured by any Lot.

Notwithstanding anything to the contrary, in lieu of fidelity bonds, insurance providing similar coverage or protection may be provided and references to "fidelity bonds" shall include such insurance.

Section 5.04. Premiums. Premiums for contracts of insurance and fidelity bond coverages purchased by the Association shall be paid by the Association and charged ratably to all Owners as an assessment according to the provisions of Article IV above.

Section 5.05. Proceeds. All contracts of insurance purchased by the Association shall be for the benefit of the Association and its mortgagees, if any, as their interest may appear, and the Owners, and shall provide that all proceeds thereof shall be payable to the Association, as insurance trustee under this Declaration. The sole duty of the Association, as insurance trustee, shall be to receive such proceeds as are paid and to hold the same in trust for the purposes stated herein.

Section 5.06. Distribution of Insurance Proceeds. Proceeds of contracts of insurance received by the Association, as insurance trustee, shall be distributed to or for the benefit of the beneficiary or beneficiaries thereof in the following manner:

- (a) the proceeds shall be paid first to defray the cost of reconstruction and repair of casualty or liability so covered.
- (b) any expense of the insurance trustee may be paid from proceeds after payment of reconstruction or repair expenses or liability. Any proceeds remaining thereafter shall be distributed to the beneficiary or beneficiaries of the trust.

ARTICLE VI

ARCHITECTURAL CONTROL AND BUILDING RESTRICTIONS

Section 6.01. Purposes. The Properties are hereby made subject to the protective covenants and restrictions hereby declared for the purpose of insuring the best use and most appropriate development and improvement of each Lot in the Properties; to protect the Owners against such improper use of surrounding Lots as will depreciate the value of the Properties; to preserve, so far as practicable, the natural beauty of said Properties; to guard against the erection thereof of poorly designed or proportioned structures, and structures built of improper and unsuitable materials; to obtain harmonious color schemes; to insure the highest and best development of said Properties; to encourage and secure the erection of attractive dwelling units thereon, with appropriate locations thereof on Lots; to secure and maintain proper set-backs from the streets and adequate free spaces between structures; and in general to provide adequately for a high type and quality of improvements in said Properties and thereby to enhance the values of investments made by the purchasers of Lots therein. It is specifically disclosed that different architectural styles, sizes and prices of dwellings may be built by the Declarant or its' assigns to provide a variety of housing options.

Section 6.02. Plan Approval Requirement. Other improvements constructed, installed, planted or otherwise made by the Declarant or its' assigns, no building, sign, fence, outside lighting, hedge, wall, roof, shingle replacement, walk, antenna, deck, porch, carport, garage, or other structure or landscape planting shall be commenced, constructed, erected, altered, permitted or planted on any Lot, nor shall any addition, alteration, replacement, repair to the exterior or other change in exterior appearance of a dwelling unit or Lot be made thereto, nor shall any building, wall, fence, or other structure be rebuilt after destruction by any hazard until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and location with respect to topography and finished ground elevation shall have been submitted to an approved in writing by the Declarant or its' assigns during the period of Class B membership, and thereafter the Architectural Control Committee. The Architectural Control Committee shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in its sole discretion, for aesthetic or any other reasons, provided such approval is not unreasonably withheld. In approving or disapproving such plans and applications, the Architectural Control Committee shall

consider the suitability of the proposed building, improvements, structure, landscaping and materials or location on which the same are built, the site upon which it is proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the Architectural Control Committee shall fail to specifically approve or disapprove the plans and specification submitted in final and complete form, within thirty (30) days after written request for final approval or disapproval such plans and specifications shall be deemed unapproved. To the extent not prohibited by the Planned Community act or by regulations of HUD or VA, the Association shall have the right to charge and collect a reasonable fee for review of such plans and specification. Nothing herein contained shall be construed to require approval for any improvements, constructed, made, installed or planted by the Declarant, or its' assigns, nor to permit interference with the development of the Properties by the Declarant, or its' assigns, so long as said development follows the general plan of development of the Properties approved by FHA and/or VA, if any, or by the Town of Rolesville from time to time.

Section 6.03. Architectural Committee. The Board of Directors shall designate the number of and appoint the members of the Architectural Committee on an annual basis. In the event of the death or resignation of any member of the Architectural Committee, the remaining members of the Architectural Control Committee, shall have full authority to designate and appoint a successor. Members of the Architectural Committee may be removed and replaced at any time with or without cause, and without prior notice, by the Board.

Section 6.04. Procedures. No improvement shall be erected, remodeled or placed on any Lot, except by the Declarant, or its' assigns, until all plans and specifications therefore and a site plan therefore have been submitted to and approved in writing by the Architectural Control Committee, as to:

- (a) quality of workmanship and materials, adequacy of site dimensions, adequacy of structural design, and facing of main elevation with respect to nearby streets;
- (b) conformity and harmony of the external design, color, type and appearance of exterior surfaces;
- (c) location with respect to topography and finished grade elevation and effect of location and use on neighboring Lots and any improvements situated thereon and drainage arrangement; and
- (d) the other standards set forth within this Declaration (and any amendments hereto) or as may be set forth within bulletins promulgated by the Architectural Control Committee, or matters in which the Architectural Control Committee has been vested with the authority to render a final interpretation and decision.

Final plans and specifications (including a site plan showing the location of the contemplated improvements on the Lot) for all improvements proposed to be constructed on a Lot shall be submitted to the Architectural Control Committee for approval or disapproval. The Architectural Control Committee is authorized to request the

submission of samples of proposed construction materials. Any modification or change to the Architectural Control Committee – approved set of plans and specifications (specifically including, but without limitation, the above described site plan) must again be submitted to the Architectural Control Committee for its inspection and approval. The Architectural Control Committee’s approval or disapproval as required herein shall be in writing. Once the Architectural Control Committee has approved the plans and specifications for the proposed improvements, the construction of such improvements must be promptly commenced and diligently pursued to completion and if such construction is not commenced within the time set therefore by the Architectural Control Committee in the written approval (but in no event later than two (2) years after such approval), such approval shall be deemed rescinded and before construction of improvements can thereafter be commenced on the Lot in questions, the plans and specifications therefore must again be approved by the Architectural Control Committee pursuant to this Article.

The Architectural Control Committee may from time to time publish and promulgate architectural standards bulletins which shall be fair, reasonable and uniformly applied in regard to the Lots and shall carry forward the spirit and intention of these covenants, conditions and restrictions. Current copies of the architectural standards bulletins shall be available to interested persons at the principal office of the Association for a reasonable cost.

Section 6.05. Enforcement. The Architectural Control Committee shall have the specific, nonexclusive right (but no obligation) to enforce the provisions contained in this Article and to prevent any violation of the provisions contained in this Article by a proceeding at law or in equity against the person or persons violating or attempting to violate any such provisions contained herein. In the event it becomes necessary to resort to litigation to determine the propriety of any constructed improvement, or to remove any unapproved improvements, the prevailing party shall be entitled to recovery of all court costs, expenses and reasonable attorney fees in connection therewith.

Section 6.06. Conditions. As a condition to the granting of approval of any request made under this Article, the Declarant or the Board or the Architectural Control Committee, as the case may be, shall require that the Owner requesting such change be liable for any cost of maintaining or repairing the approved project. If such condition is imposed, the Owner shall evidence his consent thereto by a written document in recordable form satisfactory to the Declarant or the Board, as the case may be. Thereafter, the Owner, and any subsequent Owner of the Lot, by acceptance of a deed therefore whether or not it shall be so expressed in such deed, is deemed to covenant and agree that any cost of maintenance and repair of such improvement shall be added to and become a part of the annual assessment or charge applicable to such Lot, and subject to the lien rights provided in this Declaration.

Section 6.07. Grounds for Disapproval/Defects. Denial of approval of such plans, locations or specifications may be based upon any grounds, including purely aesthetic and environmental, which the Declarant, Board of Directors or Architectural Control Committee, as the case may be, in its sole discretion, shall deem sufficient. The Declarant, Board of Directors and Architectural Control Committee shall not be

responsible for any deficiencies or defects in the plans and specifications submitted to it or in any structure erected according to such plans and specifications.

Section 6.08. Verification of Compliance with Plans. The Declarant, Board of Directors or Architectural Control Committee, as the case may be, or its appointed agents, shall have the right, at its election, but shall not be required, to enter upon any Lot during site preparation or construction, erection or installation of improvements, to inspect the work being undertaken and to determine that such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

Section 6.09. Limitation of Liability. Neither the Architectural Control Committee, the members thereof, nor Declarant shall be liable in damages or otherwise to anyone submitting plans and specifications and other submittals for approval or to any Owner by reason of mistake of judgment, negligence or nonfeasance arising out of services performed pursuant to this Article or the Declaration. Every person who submits plans and specifications for approval agrees, by submission of such plans and specifications, that it will not bring any action or suit against the Association, Declarant or Architectural Control Committee to recover any such damages.

Section 6.10. Compensation. No member of the Architectural Control Committee shall be entitled to compensation arising out of services performed pursuant to this Article. The Association shall reimburse members of the Architectural Control Committee for reasonable out-of-pocket expenses incurred by such members in the performance of their duties as members of the Architectural Committee.

Section 6.11. Maintenance by Association. Common Areas and improvements thereon shown on the recorded Maps of the Property shall be maintained by the Association.

Any Owner who fences or encloses any portion of his Lot (which fence or enclosure shall required the prior approval of the Association) may plant trees, shrubs, flowers and grass in the fenced or enclosed portion as he elects and shall maintain the fenced or enclosed portion at his own expense, provided that such maintenance does not hinder the Association in performing its maintenance duties as to the Common Area. No such maintenance by an Owner shall reduce the assessment payable by him to the Association.

The streets within the Properties shall be dedicated for public use on each recorded Map. Declarant shall remain responsible for any maintenance or repair necessary for any streets until maintenance is formally accepted by the Town of Rolesville or other appropriate government entity.

Section 6.12. Owner's Maintenance Obligations. Each Owner shall be responsible for all repair and maintenance of his Lot except such maintenance and repair specifically required to be provided by the Association under this Declaration or the Organizational Documents. No such maintenance by an Owner shall reduce any assessment payable by him to the Association. If, in the opinion of the Association, any

such Owner fails to maintain his rear yard in a neat and orderly manner, the Association may revoke the Owner's maintenance rights for a period not to exceed one (1) year. The Association may perform maintenance during the revocation period and any other repair or maintenance not performed by an Owner as required in this Declaration. Any additional maintenance costs incurred by the Association as a result of an Owner's failure to maintain or repair as provided in this Declaration shall be added to and become a part of the assessment to which such Owner's Lot is subject.

Section 6.13. Negligence, Etc. In the event that the need for maintenance or repair of any Lot or Common Area is caused through the willful or negligent acts or omissions of an Owner, or such Owner's family, tenants, contract purchasers, guests, invitees, contractors, employees or authorized representatives, such Owner shall be responsible for the cost of such maintenance and repair, which shall be added to and become a part of the assessment applicable to the Lot owned by such Owner. The Association shall have the right, but not the obligation, to enter onto an Owner's Lot and to perform any maintenance or repair required to be performed by an Owner under this Declaration in the event that an Owner fails to commence any such maintenance or repair within thirty (30) days after written notice from the Association to such Owner specifying the need for such maintenance and repair or such Owner, after commencing such maintenance and repair, fails to diligently pursue to completion such maintenance and repair within a reasonable period of time; provided, however, no notice nor waiting period shall be required with respect to an emergency condition existing on an Owner's Lot. Assessments or charges, and (2) special Assessments for capital improvements, such

Section 6.14. Dwelling Size and Driveway. Except with prior written approval of the Declarant or the Architectural Control Committee, no residential structure which has a heated area of less than 2,000 square feet, exclusive of porches, breezeways, steps and garages shall be erected or placed or permitted to remain on any Lot. All driveways shall be paved with concrete from street to each dwelling unit including parking area.

Section 6.15. Building Location. No building shall be located on any Lot nearer to the front line, rear line or side line than as indicated on the recorded Map or per Rolesville Town Code. The Architectural Control Committee may for good cause waive a violation of the set-back requirement provided for herein. This waiver shall be in writing and recorded in the Wake County Registry. A document executed by the Architectural Control Committee shall be, when recorded, conclusive evidence that the requirements of this Article and the Declaration have been complied with. A waiver is allowed so long as it does not violate local government zoning regulations. Declarant reserves the right to waive in writing any minor violation of this Article and for purposes hereof, any violation which does not exceed twenty percent (20%) shall be considered a minor violation.

Section 6.16. Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded Map and over the rear ten (10) feet on each Lot and five (5) feet on each side, on each Lot, unless shown in excess of such distances on a recorded Map, in which case the Map shall control. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities and

drainage facilities, or which may change the direction of flow or drainage channels in the easements, or which may obstruct or retard the flow of water through the drainage channels in the easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, except for those improvements that are included as Common Area and those improvements for which a public authority or utility company is responsible. No easement shall exist along an interior Lot line on any Lot on which a house is constructed within an area which would otherwise be an easement, if the placement of the house is permitted in these covenants. So long as Declarant owns at least one Lot within the Properties, Declarant reserves the right to waive in writing this rear and side line easement requirement.

ARTICLE VII

USE RESTRICTIONS

Section 7.01. Permitted Use. No Lot shall be used for any purpose other than a single family residential dwelling; provided, however, the Declarant excepts and reserves the right for itself and its assigns to use any Lot or dwelling unit as construction or sales offices and/or models which may be shown to prospective purchasers of Lots. No garage shall be converted or used as a bedroom, storage room or other living space, nor shall the number of bedrooms in a dwelling unit on any Lot be increased without the approval of the Association and the Town of Rolesville. Garages shall be used for the parking of motor vehicles and limited storage which does not interfere with such parking. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family dwelling not to exceed two and one-half stories in height and have a private garage for not more than three (3) cars. No attached or detached garage shall be used for human habitation temporarily or permanently.

Section 7.02. No Businesses. Except as specifically provided in this Section, no trade, business, industry, occupation or profession of any kind, whether commercial or otherwise, shall be conducted, maintained, or permitted on any Lot or other part of the Properties, except that any Owner may lease his Lot for residential purposes in accordance with this Declaration; provided, however, the foregoing covenants shall not apply to the business activities associated with the development of the Properties and sales of the Lots and the construction and maintenance of houses and other improvements on the Lots, and to the various activities of the Association in furtherance of its powers and purposes. The Declarant and its agents and builders may use any Lot or Lots and any dwelling thereon for office, sales or display purposes.

An Owner or occupant residing in a dwelling on any Lot may conduct business activities within such dwelling so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Lot; (b) the business activity conforms to all applicable zoning requirements, without the need for a variance; (c) the business activity does not involve door-to-door solicitation of residents of the Properties; (d) the business activity does not, in the reasonable judgment of the Board of Directors, generate a level of vehicular or pedestrian traffic or a number of vehicles being parked in the Properties which is noticeably greater than that which is typical of Lots in which no business activity is being conducted; (e) the business activity

is consistent with the residential character of the Properties, does not create a hazardous or dangerous condition nor threaten the security or safety of other occupants of the Properties, and is not a nuisance nor an unreasonable annoyance or offensive use, all as may be determined in the sole discretion of the Association's Board of Directors.

The terms "business", "trade", "industry", "occupation" and "profession" as used in this Section, shall be construed to have their ordinary, generally-accepted meanings and shall include, without limitation, any occupation, work or activity which involves the provision of goods or services to person other than the provider's immediate family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether such activity is engaged in full or part-time, such activity is intended to or does generate a profit, or whether a license is required. The leasing of a Lot in accordance with this Declaration shall not be considered a business or trade within the meaning of this Section.

Section 7.03. Prohibited Structures. No Owner shall at any time place on such Owner's Lot or any other portion of the Properties, any mobile, manufactured or modular home, nor shall any tent, shack, barn, other outbuilding, camper or other temporary structure of a similar nature be used as a residence either temporarily or permanently upon any Lot, with the limited exception of construction trailers for use as offices by Declarant or its' assigns for overseeing construction and sales during the construction process and then only for the use of the contractor performing such construction and sales. Such construction trailers shall not be permitted to remain on the Properties after the period of construction and sales. Accessory buildings of any nature whatsoever, including but not limited to detached garages, storage buildings, dog houses, greenhouses, etc. shall not be placed on any Lot without the prior written approval of the Architectural Control Committee. No exposed above-ground tanks, except for recreational swimming pools approved by the Architectural Control Committee, will be permitted for the storage of fuel or water or any other substance, except that such tanks may be placed above-ground provided that they are kept in a screened enclosure which must exceed in height by at least one (1) foot any such tank as may be placed therein. No fence, wall, hedge or mass planting shall be permitted to extend beyond the minimum building set back line except upon approval by the Architectural Control Committee. The use of chain link fencing is not permitted on the Properties.

Section 7.04. Animals. No animal, livestock or poultry of any kind shall be raised or kept on any Lot, except that no more than 2 dogs, cats or other usual household pets may be kept and maintained thereon, provided that such pets shall not be a danger or menace to others, that they are not kept or maintained for any commercial purposes or in such a manner to be offensive, threatening or dangerous to the residents of the Properties and provided further that they are kept, maintained and controlled in compliance with: (i) all applicable laws, ordinances and regulations of the State of North Carolina, Wake County and the Town of Rolesville, (ii) such rules and regulations as the Board of Directors may adopt from time to time, and (iii) the keeping of such animals does not increase the premiums for any insurance maintained by the Association or which will result in the cancellation of any such insurance. In the event of a dispute over whether an animal is a permitted household pet for purposes hereunder, the determination of the Declarant during the period of Class B Membership and thereafter by the Board of

Directors shall be final. Puppies and kittens in excess of the numbers set forth above may be kept only until old enough to be safely separated from their mother. The Board of Directors shall have the absolute power to prohibit any particular pet from being kept on the Properties, including inside a residence, if the Board of Directors in its sole and absolute discretion determines that the pet is threatening, menacing, dangerous, a nuisance, or otherwise has a negative impact on the Properties. Additionally no kennel or dog run or similar structure shall be constructed or allowed to remain on any Lot.

Section 7.05. Outside Antennas. No outside radio or television antennas or discs shall be erected on any Lot or dwelling unit within the Properties, but a satellite dish with a diameter of two (2) feet or less may be installed, in a location that is not visible from the street in front of the dwelling unit, upon receipt of permission for the same granted by the Declarant or the Board of Directors or its Architectural Control Committee in accordance with Article VI. To the extent this restriction may later be determined to be unenforceable pursuant to applicable laws; including but not limited to any rules and regulations promulgated by the Federal Communication Commission (as from time to time may be amended), an Owner shall nevertheless be restricted in its placement of said antennas to an area which is least visible from the front of the Lot or dwelling unit and which causes or is likely to cause the least interference with the placement and use of antennae and disks by other Owners. Any permitted antenna or disk shall be installed, maintained and replaced in accordance with rules and regulations adopted by the Board from time to time. Nothing in this section, however, shall prohibit (but shall not obligate) the Declarant or the Association from erecting a central master antenna, satellite dish or other similar master telecommunication system for the benefit of the Lots and charging fees for usage thereof.

Section 7.06. Insurance Risks. Nothing shall be kept and no activity shall be carried on in any dwelling unit, Lot or on the Common Areas, nor shall any Owner do or keep anything, nor cause or allow anything to be done or kept on his Lot, or in his dwelling unit or on the Common Area, which will increase the rate of insurance, applicable to residential use, for the Properties or the contents thereof or which will result in the cancellation of insurance on any portion of the Properties, or the contents thereof, or which will be in violation of any law, ordinance, or regulation. No waste shall be committed on any portion of the Common Areas

Section 7.07. Signs. No Owner shall display, or cause or allow to be displayed, to public view on his Lot any sign, placard, poster, billboard, or identifying name or number on any portion of a Lot, the Common Area or the right-of-way of any street or road within the Properties except as permitted in this Declaration or as required by the Town of Rolesville. Notwithstanding the foregoing, the Declarant and each Owner, or their respective agents, may place a single "For Sale" or "For Rent" sign on any Lot they own. During the development of the Properties and the marketing of Lots, the Declarant, builders and their realtors may maintain offices and may erect and display such signs and banners as the Declarant deems appropriate as aids to such development and marketing, provided that such signs do not violate any applicable laws. No Owner, other than the Declarant, shall display, or cause or allow to be displayed, to public view on his Lot any "For Sale" or "For Rent" sign which exceeds 24 inches in width or 15 inches in height. The Board of Directors may adopt Rules and Regulations concerning the color and

placement of signs by Owners other than the Declarant. A sign advertising a yard sale or other temporary activity may be displayed on a Lot for no more than seventy-two (72) consecutive hours. Notwithstanding the foregoing, the Board of Directors has the authority to require any sign, other than a sign maintained by the Declarant, be removed if it determines, in its sole discretion, such sign to be detrimental to the Properties. Easements are reserved as shown and designated on the recorded Maps of the Properties to erect and construct entrance signs and landscape or streetscape areas.

Section 7.08. Structural Integrity. Nothing shall be done in or to any dwelling unit on any Lot or in, to, or upon any of the Common Areas which will impair the structural integrity of any building, dwelling unit, or portion of the Common Areas or which would impair or alter the exterior of any building or portion thereof, except in the manner provided in this Declaration.

Section 7.09. Occupancy Limitations. No Lot shall be rented to or occupied by a greater number of unrelated individuals than the number of bedrooms in the dwelling unit on such Lot as approved in accordance with Article VI of this Declaration. No Lot shall be rented to or occupied by a number of individuals, whether or not unrelated, which exceeds twice the number of bedrooms in the dwelling unit on such Lot as approved in accordance with Article VI of this Declaration; provided, however, a Lot may be rented to or occupied by a number of individuals which is not more than three (3) times the number of bedrooms in the dwelling unit on such Lot as approved in accordance with Article VI of this Declaration so long as all such individuals occupying such dwelling unit are within the same immediate natural or adopted family (namely, spouses, grandparents, parents, children and grandchildren) or who are legal guardian and ward. For purposes of this Section, "unrelated individuals" means individuals who are neither within the same immediate natural or adopted family (namely, spouses, grandparents, parents, children and grandchildren) nor who are legal guardian and ward; provided, however, siblings shall be considered unrelated individuals unless one of their parents or legal guardian also occupies the same Lot as such parent's or legal guardian's principal residence.

Section 7.10. Maintenance of Lots. Each Owner shall keep his Lot in an orderly condition and shall keep the improvements thereon in a suitable state of repair, promptly repairing any damage thereto by fire or other causality. No clothesline may be erected or maintained on any Lot. Each Owner shall further maintain the Lot with no grass grown over eight (8) inches in height and landscaping on his Lot in a clean and neat condition and shall keep his landscaping trimmed so as not to be unsightly and will remove any dead trees and undergrowth to present a pleasing appearance. No Lot shall be used in whole or in part for storage of rubbish of any character whatsoever nor for the storage of any property or thing which will cause any noise that will disturb the peace and quiet of the occupants of surrounding Lots, and no trash, rubbish, stored materials, wrecked or inoperable vehicles, vehicles unlicensed for more than thirty (30) days, or similar unsightly items shall be allowed to remain on any Lot outside an enclosed structure; provided, however, that the foregoing shall not be construed to prohibit temporary deposits of trash, rubbish, or other debris for collection by governmental or other similar garage and trash removal units. In the event that any Owner fails or refuses to comply with any of the foregoing, the Declarant or Association may demand that the

Owner promptly comply with the same by mailing a notice thereof to the Owner at his address, specified in his contract to purchase such Lot or by posting such notice on the Lot. If the Owner has not complied therewith within five (5) days thereafter, the Declarant or Association may enter and correct the same at Owner's expense. Each Owner, by acquiring a Lot subject to these restrictions, agrees to pay such cost promptly upon demand by Declarant or the Association. No such entry as provided herein shall be deemed a trespass.

Section 7.11. Garbage Cans and Trash Removal. Garbage cans or approved dumpsters shall be located or screened so as to be concealed from view of neighboring Lots, Common Areas and street rights of way. All rubbish, trash, and garbage shall be regularly removed from any Lot and shall not be allowed to accumulate thereon. Trash spillage shall be the responsibility of the subject Owner for removal. Yard waste must be disposed of properly and not deposited on any other Lot, the Common Areas or street rights of way within the Properties. Notwithstanding the foregoing, the Declarant reserves for itself and its approved builders of dwelling units within the Properties the right to dump and bury rocks, trees, stumps and similar debris as needed for efficient development of the Properties provided that such dumping and burying are done according to good building practice and in accordance with all applicable governmental laws and regulations.

Section 7.12. Nuisances. No immoral, improper, offensive or unlawful use shall be made of the Properties, or any part thereof, and all valid laws, orders, rules, requirements, ordinances and regulations of all governmental agencies having jurisdiction thereof relating to any portion of the Properties shall be observed. No noxious or unreasonably offensive activities shall be carried on upon any Lot or other portion of the Properties, nor shall anything be done thereon which may be or become a nuisance or an unreasonable annoyance to the neighborhood. Activities associated with the development of the Properties and the construction of dwelling units or Common Area facilities on the Properties shall not be deemed offensive nor an annoyance or nuisance if conducted in accordance with the ordinances of the Town of Rolesville. Other than in connection with the development of the Properties or the construction and sale of Lots and dwelling units by the Declarant or its' assigns, no trade materials or inventories may be stored upon a Lot.

Section 7.13. Rules and Regulations. The Board of Directors shall have the power to formulate, adopt, amend, publish, and enforce reasonable rules and regulations concerning the use and enjoyment of the yard spaces of each Lot and the Common Area. All rules and regulations, along with all policy resolutions and policy actions taken by the Board of Directors, shall be recorded in a Book of Resolutions which shall be maintained in a place convenient to the Owners and available to them for reasonable inspection during normal business hours.

Section 7.14. Subdivision of Lot. No Lot shall be subdivided nor its boundary lines changed except with the prior written approval of the Declarant or its assigns, if during the period of Class B membership, and thereafter with the prior written approval of the Board; provided, however, the Declarant reserves the right to subdivide, re-subdivide or recombine any Lot or other property in the Properties owned by the

Declarant. Any subdivision, re-subdivision or recombination of the Properties or any portion thereof shall be done in accordance with all applicable laws and regulations.

Section 7.15. Open Space Preservation and Protection Areas. Within any portion of the Common Area which is designated or approved as open space preservation and protection areas, no land-disturbing activity, placement of impervious surfaces, removal of vegetation, encroachment, construction or erection of any structure shall occur except with approval of the Association and in accordance with a watercourse buffer permit first being issued by the Town of Rolesville.

Section 7.16. Stormwater Control Measures – Potential Fines & Liens. Portions of the Common Area are or may be subject to drainage easements, as shown on the recorded Maps, identified in Section 1.24 of this Declaration. If so required, stormwater control measures shall be maintained by the Association in accordance with the requirements of the Town of Rolesville. Stormwater control measures are required to comply with the Rolesville Town Code and the failure to maintain stormwater control measures is a violation potentially subjecting each Lot Owner to significant daily penalties and other enforcement action.

Section 7.17. Development Rights Reserved. Notwithstanding any provisions or restrictions contained in this Declaration, and rules and regulations adopted hereunder or any amendments to the foregoing, it shall be expressly permissible for the Declarant, and its respective agents, employees and approved builders during the period of Class B membership to maintain such facilities and carry out such construction activities as may be reasonably required, convenient or incidental to the development, improvement, completion and sale of any portion of the Properties, including without limitation, the installation and operation of sales and construction trailers and offices, sales models and appropriate signs; provided, however, that in the event a sales office has been maintained in any portion of a Lot such sales office must be removed and the original intended and approved use of such structure must be restored prior to conveyance from the Declarant or its assigns to any third party purchaser.

Section 7.18. Government Regulations. All governmental building codes, health regulations, zoning restrictions and the like applicable to the Properties shall be observed. In the event of any conflict between any provision of such governmental code, regulation or restriction and any provision of this Declaration, the more restrictive provision shall apply.

Section 7.19. Ponds and Buffer Rules and Regulations. There are two ponds located on or to be located on the Property. Both ponds will have buffer areas around each, as shown on recorded plats, and the ponds and buffer areas will be Common Areas. The ponds constitute part of the Stormwater Control Measures for the Property. Each Owner's use and enjoyment of the ponds located on the Property shall be subject to the following provisions and conditions:

- (a) no boats shall be allowed or permitted on either pond except for a boat used by the Association for maintenance, care and repair of the lake or facilities attendant thereto;

(b) no boats may be stored or left unattended on either pond or upon any other Common Areas, excepting areas that may be designated by the ACC;

(c) no net fishing will be allowed or permitted on either pond;

(d) no dumping or discharging of any substance into the ponds shall be allowed or permitted;

(e) the Association shall not be responsible for supervision of any activities or uses of or on the ponds;

(f) at all times when a pond is being utilized for any purpose by a family, guest, invitee, or licensee, the Owner shall be responsible for supervising such use; and

(g) except in cases of emergency, no spot light or search light shall be shown over or across the ponds.

The Association may modify these rules and regulations and preempt new rules and regulations so long as they do not violate the purpose of said ponds and the Code requirements of the Town of Rolesville.

It is recognized that the ponds are a zoning ordinance requirement and area to be maintained as a water quality resources and as stormwater control structures. The ponds shall be maintained by the Association as a Common Expense. The budget for the Association includes sums for annual maintenance of the ponds and a sinking fund reserve for silt removal every six (6) years and for structural replacement of the pond every twenty-five (25) years.

Each Owner has the responsibility for the method, manner or means by which any Owners, the members of his family, guests, invitees, licensees, tenants, contract purchasers or others acting through Owner shall use and enjoy the ponds. Accordingly, neither the Association nor Declarant shall be liable to any licensees, tenants, contract purchasers or others acting through the Owner, except where physical injury to a natural person is proximately caused by the gross negligence or recklessness of the Association or Declarant, as the case may be. This disclaimer and standard of liability shall be binding on the Association, Declarant, all Owners, members of their families, guests, invitees, licensees, tenants, contract purchasers and others acting through Owner. If this disclaimer and standard of liability should be held inapplicable to or not binding upon any class or sub-class of persons referenced above by a court of competent jurisdiction, it shall nonetheless survive and remain in full force and effect as to all other classes or sub-classes. Nothing contained in this Section shall be deemed a waiver or modification of any common law or statutory defenses otherwise available to the Association or Declarant including, but not limited to, contributory negligence. Any Owner whose conduct was a concurring or proximate cause of any injury or damage for which the Association or Declarant is sued, such Owner shall indemnify and hold the Association and Declarant harmless in the event the claim on behalf of any such person injured or damages is reduced to judgment or otherwise paid by the Association or Declarant, or both.

ARTICLE VIII

EASEMENTS/BUFFERS

Section 8.01. Utilities. Easements for the installation and maintenance of utilities (including, but not limited to water, sewer, gas, electricity, telephones, telecommunications, cable television and other utilities, such as a master antenna system) and drainage facilities are reserved as indicated on the recorded Maps of the Properties. Within these easements no structures, planting or other material shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the drainage easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The Association shall have the power and authority to grant and establish upon, over and across the Common Areas such additional easements as are necessary or desirable for the providing of service or utilities to the Common Areas or Lots.

Section 8.02. Encroachments. In the event that any improvements on a Lot shall encroach upon any Common Areas or upon any other Lot as a result of the initial improvements constructed by Declarant or for any reason not caused by the purposeful or negligent act of the Owner or agents of such Owner, then an easement appurtenant to such Lot shall exist for the continuance of such encroachment upon the Common Areas or other Lot for so long as such encroachment shall naturally exist; and, in the event that any portion of the Common Areas shall encroach upon any Lot, then an easement shall exist for the continuance of such encroachment of the Common Areas into any such Lot for so long as such encroachment shall naturally exist. Notwithstanding anything hereinabove to the contrary, this provision does not authorize any encroachments except those which exist by virtue of original construction by the Declarant or its' assigns or with Declarant's express approval.

Section 8.03. Easement for Governmental Agencies. An easement is hereby established over the Common Area for the benefit of applicable governmental agencies, utility companies and public service agencies (and any other Person providing services to the Properties under agreement with or at the direction of the Association) as necessary for setting, removing and reading of meters, replacing and maintaining water, sewer and drainage channels and facilities, utilities, and fire lines and acting for other purposes consistent with public safety and welfare, including without limitation, law enforcement, fire protection, emergency and rescue services, garbage collection and delivery of mail. An easement is hereby established for the benefit of the Town of Rolesville over the Common Area and over the front five (5) feet of each Lot for the setting, removal and reading of water meters, the maintenance and replacement of water, sewer and drainage channels and facilities and the collection of garbage.

Section 8.04. Walks, Drives, Parking Areas and Utilities. All of the Properties, including Lots and Common Areas, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas lines,

telephone and electric power lines, cable television lines, and other public utilities as shall be established prior to the conveyance of such Lots or the Common Area by the Declarant, and the Association shall have the power and authority to grant and to establish in, over, upon, and across the Common Areas conveyed to it such further easements as are requisite for the convenient use and enjoyment of the Properties. If a Lot is served by a driveway as indicated on a recorded Map of the Properties (provided such Map was approved by the Declarant or the Association), there is created an appurtenant easement over the Common Areas in favor of such Lot for the construction, reconstruction, repair and maintenance of such driveway and for the exclusive use of such driveway for ingress, egress, regress and parking purposes. Such driveway easement is subject to water, sewer and utility lines lying under such driveway and the repair and maintenance of such lines. The Association and the other Owners shall not obstruct or interfere with the use of such driveway except as is incident to the repair and maintenance of Common Areas and water, sewer and utility lines. If the Association obstructs or interferes with the permitted uses of such driveway, the Association shall make reasonable efforts to provide alternative parking for such Lot during the period of obstruction or interference.

Section 8.05. Easements Appurtenant to Lots. All private streets and driveway areas in the Common Areas shall be subject to an easement in favor of every Lot to which they are adjacent or which they are intended to serve and shall be deemed appurtenant to each such Lot, whereby the Owner of each such Lot shall be entitled to use them as a means of ingress, egress and regress and such other uses as shall have been designated. Such easement shall be superior to the lien of every mortgage or deed of trust.

Section 8.06. Emergencies, Etc.. Every Lot and dwelling unit shall be subject to an easement for entry by the Association for the purpose of correcting, repairing, or alleviating any emergency condition which arises upon any Lot or within any dwelling unit on any Lot and that endangers any Lot or portion of the Common Areas, or as necessary to correct any grading for drainage purposes.

Section 8.07. Easements to Association. An easement is hereby granted to the Association, its officers, agents, employees, and authorized representatives, including but not limited to management companies, to enter in or to cross over the Common Area in connection with the exercise of any right, duty or obligation of the Association under this Declaration or its Organizational Documents.

Section 8.08. Easement and Right of Entry for Repair, Maintenance and Reconstruction. Each Owner of a Lot shall have a perpetual access easement over the adjoining Lots and/or Common Area to the extent reasonably necessary to perform repair, maintenance or reconstruction of the dwelling unit on such Owner's Lot. Such repair, maintenance or reconstruction shall be done expeditiously, in good and workmanlike manner and in compliance with all applicable laws, ordinances and regulations, and upon completion of the work, the Owner shall restore the adjoining Lot to as near the same condition as that which prevailed prior to the commencement of the work as is reasonably practicable. No fence, wall, storage shed or similar type of structure or any other kind of obstruction shall be permitted within the area lying within five (5) feet of the adjoining Lot that will obstruct such access to the adjoining Lot.

Section 8.09. Access Easement. Each Owner shall have the right to ingress and egress over, upon and across the Common Area as necessary for access to his Lot and shall have the right to lateral support for his Lot.

Section 8.10. Easement Reserved by Declarant for Development. Until December 31, 2011, notwithstanding any provisions contained in this Declaration to the contrary, Declarant hereby expressly reserves unto itself and its successors and assigns including, but not limited to Persons constructing dwellings and other improvements on the Common Area or Lots, a nonexclusive, right, privilege and easement over, under, in, and/or on the Common Area, without obligation and without charge, for the purposes of construction, installation, relocation, development, sale, maintenance, repair, replacement, use and enjoyment, and/or otherwise dealing with the Properties, including but not limited to construction of the recreational facilities and installation of utilities. The reserved easement shall constitute a burden on the title to the Properties and specifically includes, but is not limited to:

- A. The right of access, ingress, and egress for vehicular and pedestrian traffic over, under, on and through the Common Area; and the right to construct the Amenities; and the right to tie into any portion of the Properties with driveways, parking areas, and walkways; and the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services, including, without limitation, electrical, telephone, natural gas, water, sewer, and drainage lines and facilities, constructed or installed in, on, under, and/or over the Properties any damage caused by the exercise of such rights shall be repaired and the damaged property shall be restored to as near the same condition, as reasonable and practical, as that which existed prior to the exercise of such rights;
- B. The right to construct, install, replace, relocate, maintain, authorize, repair, use, and enjoy signs, model residences, sales offices, construction offices and business offices as, in the sole opinion of Declarant, may be required, convenient, desirable, or incidental to the construction and sale of residences on the Lots;
- C. No rights, privileges, and easements granted or reserved herein shall be merged into the title of any portion of the Properties, including, without limitation, Lots or Common Areas conveyed to the Association, but shall be held independent of such title, and no such right, privilege, or easement shall be surrendered, conveyed, or released unless and until and except by delivery of a quitclaim deed from Declarant releasing such right, privilege, or easement by express reference thereto; and
- D. This section may not be amended without the written consent of Declarant.

Section 8.11. Drainage. The Declarant reserves for itself and its assignees, including but not limited to the Association, the right and easement to enter upon any Lot or the Common Area for the purpose of altering the flow of surface water in, on or across such Lot or Common Area in order to correct surface water drainage problems existing on any Lot or the Common Area. Any alterations made pursuant to the foregoing easement shall be made at the sole cost and expense of the Declarant or its assigns, as the case may be, and shall not unreasonably interfere with the Owner's use and enjoyment of his Lot. Declarant hereby agrees that in exercising the rights reserved above, all debris, materials, excess soil and rock from an affected Lot shall be removed, all excavations shall be filled, all topsoil and grass on all disturbed earth shall be replaced and reseeded. Declarant may give its written consent to an Owner to alter the flow of surface water in, on or across such Owner's Lot in order to correct surface water drainage problems existing on such Lot; provided, however, that the Declarant during the period of the Class B Membership, and thereafter the Board of Directors or the Architectural Control Committee, as the case may be, must give its written approval to the Owner's plan to alter the flow of surface water on such Owner's Lot.

ARTICLE IX

Section 9.01 By Declarant. If on or before January 1, 2011, the Declarant should purchase and/or develop additional lands adjacent to the Properties, such additional lands may be annexed by the Declarant to said Properties without the assent of the Class A membership. In the event of annexation by the Declarant, the Declarant shall not be required to build the same or substantially similar type of dwelling units and the Declarant specifically reserves the right to build dwelling units of different types, styles, colors, sizes and prices.

The additional lands shall be deemed annexed to the Properties on the date of recordation of the Declaration of Annexation. Upon annexation, the land shall be used only for residential and ancillary purposes and shall be subject to this Declaration and all Owners shall automatically become Members of the Association.

(a) The additions authorized above shall be made by filing Supplementary Declarations of Covenants, Conditions and Restrictions with

respect to the Additional Properties in the Wake County, North Carolina, Public Registry which shall extend the scheme of this Declaration and the jurisdiction of the Association to such Properties and thereby subject such additions to the benefits, agreements, restrictions and obligations set forth herein, including, but not limited to, assessments as herein determined. Such Supplemental Declarations as applied to the Additional Properties covered thereby, may include such specific additional controls, covenants, conditions, restrictions, easements, development guidelines, charges and liens as may be set forth in such Supplemental Declaration. Failure by the Association, Declarant or any Owner to enforce any such restriction, condition, covenant, reservation lien or charge herein contained shall in no event be deemed a waiver of the right to enforce any such restriction, condition, covenant, reservation, lien or charge at any other time or in connection with the same or any other event, nor shall it be deemed a waiver of the right to request that law enforcement, public safety and animal control officers come on the Properties to facilitate the enforcement of the laws, codes and ordinances of any governmental authority.

When any instrument purporting to amend the covenants, conditions and restrictions has been certified by the Board of Directors, recorded, and indexed as provided by this Section, it shall be conclusively presumed that such instrument constitutes a valid amendment as to all persons thereafter purchasing any Lots.

Section 11.06. Voting. Voting of Members of the Association shall be in accordance with the applicable provisions set forth in the Association's By-Laws.

Section 11.07. Contract Rights of Association. Section 11.08. Underground Utilities and Street Lighting. Declarant reserves the right to subject the Property described hereinabove to a contract with public utility companies for the installation of underground utility service and the installation of street lighting, either of which or both of which may require a continuous monthly charge to the Owner of the Lot. Declarant further reserves the right to connect to each Lot necessary water and sewer service which may require a continuous monthly charge to the Owner of each Lot. Upon acceptance of a deed to a Lot, each Owner agrees to pay said continuing monthly payments therefore as approved by the North Carolina Utilities Commission, or other appropriate government authorities.

Section 11.10. Gender and Grammar. The singular, wherever used herein shall be construed to mean the plural when applicable and the necessary grammatical changes required to make provisions hereby apply to either corporations or individuals, man or woman, shall in all cases be assumed as though in each case fully expressed.

Section 11.11. Liability Exemptions. In no case shall the Town of Rolesville be responsible for failing to provide any emergency or regular fire, police or other public service to the Common Area or the Lots or to their occupants when such failure is due to lack of access to such areas due to inadequate design or construction, blocking of access routes, inadequate maintenance, or any other factor within the control of the Declarant,

the Association, the Owners or their occupants. In no case shall the Town of Rolesville or the State be responsible for maintaining any private street. Such responsibility shall rest with the Association and Owners in that such private streets will not be constructed to the minimum standards sufficient to allow their inclusion for public maintenance.

Section 11.12. Address. Each Member agrees to keep Association informed of his address at any time and any notice sent or delivered to said address shall be sufficient. Each new Member agrees to provide the Association with evidence of his Ownership for preparation of a membership roster and the roster as so completed shall be sufficient evidence as the Ownership of each Lot. If a Member fails to provide the Association with its address or otherwise fails to keep its address current, the Association may use the address shown on the Wake County tax records for the Owner of the Lot for which such membership exists as the Member's address.

Section 11.13. Conflicts. In the event of a conflict between the terms and provisions of this Declaration and the By-Laws or Articles of Incorporation of the Association, the terms and provisions of this Declaration shall control. In the event of a conflict between the terms and provisions of the By-Laws and the Articles of Incorporation of the Association, the terms and provisions of the Articles of Incorporation shall control.

Section 11.14. Permanently Undisturbed Open Space Areas. Within the Neuse River Basin Areas, no land disturbing activity, no new construction, expansion, encroachment, nor placement of any impervious surface shall occur without the prior issuance of a permit by the County of Wake or other appropriate governmental agency.

Section 11.15 DISPUTE RESOLUTION.

1. Consensus for Association Action.

(a) Except as provided in this Section, the Association may not commence a legal proceeding or an action under this Article without the approval of at least two-thirds of the voting Members. A voting Member representing Lots owned by Persons other than the voting Member shall not vote in favor of bringing or prosecuting any such proceeding unless authorized to do so by a vote of Owners of two-thirds of the total number of Lots represented by the voting Member. This Section shall not apply, however, to (i) actions brought by the Association to enforce the Declaration or the Organizational Documents (including, without limitation, the foreclosure of liens); (ii) the imposition and collection of assessments; (iii) proceedings involving challenges to ad valorem taxation; or (iv) counterclaims brought by the Association in proceedings instituted against it.

(b) Prior to the Association or any Member commencing any proceeding to which Declarant is a party, including but not limited to an alleged defect of any improvement, Declarant shall have the right to be heard by the Members, or the particular Member, and to access, inspect, correct the condition of, or redesign any portion of any improvement as to which a defect is alleged or otherwise correct the alleged dispute.

2. Alternative Method for Resolving Disputes.

Declarant, its officers, directors employees and agents; the Association, its officers, directors and committee members; all Persons subject to this Declaration; any Builder, its officers, directors employees and agents; and any Person not otherwise subject to this Declaration who agrees to submit to this Article (each such entity being referred to as a "Bound Party") agree to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit those claims, grievances or disputes described in Section 3 (collectively, "Claims") to the procedures set forth in Section 4, both herein below.

3. Claims.

Unless specifically exempted below, all Claims between any of the Bound Parties regardless of how the same might have arisen or on what it might be based including, but not limited to Claims (a) arising out of or relating to the interpretation, application or enforcement of the Declaration or the Organizational Documents or the rights, obligations and duties of any Bound Party under the Declaration or the Organizational Documents, (b) relating to the design or construction of improvements; or (c) based upon any statements, representations, promises, warranties, or other communications made by or on behalf of any Bound Party shall be subject to the provisions of Section 11.15 Paragraph 4.

Notwithstanding the above, unless all parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of Section 11.15 Paragraph 4.

(a) any suit by the Association against any Bound Party to enforce the provisions of Article IV (Assessments);

(b) any suit by the Association or Declarant to obtain a temporary restraining order or injunction (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to act under and enforce the provisions of Article VI (Architectural Control and Building Restrictions) or Article VII (Use Restrictions);

(c) any suit between or among Owners, which does not include Declarant, a Builder or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Declaration or the Organizational Documents; and

(d) any suit in which any indispensable party is not a Bound Party.

With the consent of all parties hereto, any of the above may be submitted to the alternative dispute resolution procedures set forth in Section 11.15 Paragraph 4.

4. Mandatory Procedures.

(a) Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (the Claimant and the Respondent referred to herein being individually, as a "Party," or, collectively, as the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

(i) the nature of the Claim, including the Persons involved and Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the proposed remedy; and

(iv) the fact that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation and Mediation.

(i) The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in negotiation.

(ii) If the Parties do not resolve the Claim within 30 days after the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have 30 days to submit the Claim to mediation under the auspices of the American Arbitration Association ("AAA") in accordance with the AAA's Supplemental Mediation Procedures for Residential Construction.

(iii) If Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any Person other than the Claimant.

(iv) Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the Parties. If the Parties do not settle the Claim within 30 days after submission of the matter to the mediation, or within such other time as determined by the mediator or agreed to by the Parties, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated.

Each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator. If the Parties agree to a resolution of any Claim through negotiation or mediation in accordance with Section 11.15 Paragraph 4 and any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate arbitration proceedings to enforce such agreement without the need to again comply with the procedures set forth in Section 11.15 Paragraph 4. In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including without limitation, attorneys' fees and court costs.

(c) Binding Arbitration.

(i) Upon Termination of Mediation, Claimant shall thereafter be entitled to initiate final, binding arbitration of the Claim under the auspices of the AAA in accordance with the AAA's Supplemental Arbitration Procedures for Residential Construction. Such claims shall not be decided by or in a court of law. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court

having jurisdiction over such Claim. If the claimed amount exceeds \$250,000, the dispute shall be heard and determined by three arbitrators. Otherwise, unless mutually agreed to by the parties, there shall be one arbitrator. Arbitrators shall have expertise in the area(s) of dispute, which may include legal expertise if legal issues are involved.

(ii) Unless provided otherwise by AAA's Supplemental Arbitration Procedures for Residential Construction, each Party shall bear its own costs and expenses and an equal share of the arbitrator's and administrative fees of arbitration. Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the non-contesting party shall be awarded reasonable attorneys' fees and expenses incurred in defending such contest. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator(s).

(iii) The award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

When more than one person holds an interest in any dwelling unit or Lot, all such persons shall be Members; and the vote for such dwelling unit or Lot shall be exercised as they among themselves determine; however, in no event may more than one vote be cast with respect to any one dwelling unit or Lot owned by Class A Members and in no event shall fractional votes be allowed. When one or more co-Owners signs a proxy or purports to vote for his or her co-Owners, such vote shall be counted unless one or more other co-Owners is present and objects to such a vote or, if not present, submits a proxy or objects in writing delivered to the Secretary of the Association before the vote is counted. Section 5. Right of Declarant to Representation on Board of Directors of the Association. Notwithstanding anything contained herein to the contrary, until December 31, 2011, or until Declarant shall have conveyed seventy-five percent (75%) of the Properties, whichever occurs first, Declarant (or its expressed assignee of the right granted in this section) shall have the right to designate and select any person or persons to serve on any Board of Directors, the manner in which such person or persons shall be designated shall be as provided in the Articles of Incorporation and/or By-Laws of the Association.

Declarant shall have the right to remove any person or persons selected by it to act and serve on said Board of Directors and replace such person or persons with another person or persons to act and serve in the place of any director or directors so removed. Any director designated and selected by Declarant need not be an Owner. Any representative of Declarant serving on the Board of Directors of the Association shall not be required to disqualify himself from any vote upon any contract or matter between Declarant and the Association where Declarant may have pecuniary interest or other interest.

ARTICLE IV MEETINGS OF MEMBERS

Section 1. Annual Meetings. The first annual meeting of the Members shall be held within one year from the date of incorporation of the Association. Each subsequent regular

meeting of the Members shall be held in the same month of each year thereafter unless a different date is fixed by the Board of Directors.

If the annual meeting shall not be held within the month designated by these By-Laws, a substitute annual meeting may be called in accordance with the provisions of Section 3 of this Article IV. A meeting so called shall be designated and treated for all purposes as the Annual Meeting.

Section 3. Special Meetings: Special meetings of the Members may be called at any time by the President or Board of Directors of the Association, or by any Member pursuant to the written request of the holders of not less than one-tenth of all votes of Class A and Class B Membership. The notice of any special meeting shall state the time and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in said notice.

Section 4. Place of Meetings. Meetings of the Members shall be held at such place, within Wake County, as may be determined by the Board of Directors.

Section 5. Notice of Meeting: Except as otherwise provided in the Articles of Incorporation, the Declaration, or these By-Laws, written or printed notice stating the time and place of the meeting shall be delivered not less than twenty nor more than sixty days before the date of any Membership meeting, either personally or by U.S. Mail, by or at the direction of the President, the Secretary, or other person calling the meeting, to each Member of record entitled to vote at such meeting; provided that such notice must be given not less than twenty days before the date of any meeting at which a merger or consolidation is to be considered. If mailed, such notice shall be deemed to be delivered to the Member at his address as it appears on the record of Members of the association, with postage thereon prepaid.

In the case of a special meeting, the notice of meeting shall specifically state the purpose or purposes for which the meeting is called; but, in the case of an annual or substitute annual meeting, the notice of meeting need not specifically state the business to be transacted thereat unless such a statement is required by the provisions of the North Carolina Non-profit Corporation Act.

When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. When a meeting is adjourned for less than thirty days, it is not necessary to give any notice of the adjourned meeting other than by announcement at the meeting at which the adjournment is taken.

Section 6. Voting List. At least ten days before each meeting of the Members, the Secretary of the Association shall prepare an alphabetical list of the Members entitled to vote at such meeting or any adjournment thereof, with the address of and number of votes by each, which list shall be kept on file at the registered office of the Association for a period of ten days prior to such meeting, and shall be subject to inspection by any Member at any time during normal business hours. This list shall be produced and kept open at the time of the meeting and shall be subject to inspection by any Member during the time of the meeting. If more than one person owns a Lot, the

vote allocated to such Lot shall be cast in accordance with the provisions of the Planned Community Act.

Section 7. Quorum: Except as otherwise provided in the Articles of Incorporation, the Declaration, or these By-Laws, the presence at the meeting of Members or of proxies entitled to cast, twenty percent (20%) of the votes appurtenant to each Class of Lots in combination (Class A and B) shall constitute a quorum for any action. If, however, such quorum shall not be present or represented at any meeting, the Members entitled to vote thereat shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum as aforesaid shall be present or represented.

Section 8. Proxies: Voting may be either in person or by one or more agents authorized by a written proxy executed by the Member or by his duly authorized attorney in fact. All proxies shall be in writing and filed with the Secretary. Every proxy shall be revocable and shall automatically cease upon conveyance by the Member of his Lot or may cease upon written notice of cancellation of proxy by Member.

Section 9. Voting. The vote on any matter of a majority of the votes of each Class of Members present at a meeting of Members shall be the act of the Members on that matter, unless the vote of a greater number is required by the Declaration, these By-Laws, the Planned Community Act or by law.

Section 10. Informal Action by Members. Any action which may be taken at a meeting of the Members may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the persons who would be entitled to vote upon such action at a meeting and filed with the Secretary of the Association to be kept in the minute book of the Association.

Section 11. Waiver of Notice. Any Member may, at any time, waive notice of any meeting with the Members in writing and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Member at any meeting of the Members shall constitute a waiver of notice by him of the time and place thereof except where a Member attends a meeting for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called. If all the Members are present at any meeting of the Members, no notice is required and any business may be transacted at such meeting.

Section 12. Loss of Right to Vote. The vote of any Member who is shown on the books or records of the Association to be more than sixty (60) days delinquent in any payment due the Association shall not be an eligible vote and shall not be counted for purposes of deciding any question so long as such delinquency is not cured, nor shall such Member be eligible to be elected to nor remain on the Board of Directors.

ARTICLE V BOARD OF DIRECTORS

Section 1. General Powers. The business and affairs of the Association shall be managed by its Board of Directors.

Section 2. Number, Term and Qualifications. The number of directors constituting the Board of Directors shall be three. At the first annual meeting of the Association after which transition to homeowner control has taken place, the number of Directors may be increased to five (5). At this first annual meeting after transition, the Members may elect one director to serve for a term of one year, two directors to serve for a term of two years, and two directors to serve for a term of three years, should they elect to increase the number of directors to five (5). If the Members elect to continue to maintain a board of three (3) Members, they shall elect a one, two and three year director. At subsequent annual meetings thereafter, the Members shall elect the number of directors needed to fill the vacancy or vacancies created by the director or directors whose term(s) is (are) expiring to serve for a term of three (3) years. Directors need not be Members of the Association.

Section 3. Nomination. After the first election of directors, nominations for election to the Board may be made by a Nominating Committee established by the Board of Directors. Nominations may also be made from the floor at the annual meeting. Nominations at the first meeting will be from the floor. The Nominating Committee, if formed, shall consist of a Chairman, who shall be a member of the Board, and two or more Members of the Association. The Nominating Committee shall be appointed by the Board prior to each annual meeting of the Members, to serve from the close of such annual meeting until the close of the next annual meeting and such appointment shall be announced at each annual meeting. The Nominating Committee

shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies to be filled.

Section 4. Election of Directors. Except as provided in Section 6 of this Article V, the directors shall be elected at the annual meeting of Members or their proxies; and those persons who receive the highest number of votes shall be deemed to have been elected. If any Member so demands, the election of directors shall be by ballot. Cumulative and fractional voting is prohibited.

Section 5. Election. The directors may be elected by secret written ballot, if a Member so demands, at the annual meeting of the Members. In such election, the Members or their proxies may cast, with respect to each vacancy, as many votes as they are entitled under the provisions of Article III of these By-Laws. The persons receiving the highest number of votes shall be elected. Cumulative voting is not permitted.

Section 6. Removal. Any director may be removed at any time with or without cause, by a majority vote of the Members. If any Directors are so removed, new directors may be elected at the same meeting. Additionally, any Director who has three (3) consecutive unexecuted absences may be removed by a majority vote of the remaining Directors.

Section 7. Vacancies. Any vacancy occurring in the Board of Directors may be filled by the selection of a successor by the remaining Directors, who shall serve for the unexpired term of his predecessor. The Members may elect a director at any time to fill any vacancy not filled by the Directors. Any directorship to be filled by reason of an increase in the authorized number of Directors shall be filled only by election at an annual meeting or at a special meeting of Members called for that purpose.

Section 8. Compensation. No Director shall receive compensation for any service he may render to the Association in the capacity of Director. However, any Director may be reimbursed for actual expenses incurred in the performance of his duties.

ARTICLE VI MEETINGS OF DIRECTORS

Section 1. Regular Meetings: A regular meeting of the Board of Directors shall be held immediately after the annual meeting of the Members for the purpose of electing officers. In addition, a regular meeting of the Board of Directors shall be held at least quarterly, without notice and at such place and hour as may be fixed from time to time by resolution of the Board of Directors.

Section 2. Special Meetings: Special meetings of the Board of Directors shall be held when called by the President of the Association, or by any two Directors. Such a meeting may be held as fixed by the person or persons calling the meeting.

Section 3. Notice of Meetings. Regular meetings of the Board of Directors may be held without notice. The person or persons calling a special meeting of the Board of Directors shall, at

least ten (10) days and not more than sixty (60) days before the meeting, give notice thereof by any usual means of communication. Such notice need not specify the purpose for which the meeting is called.

Section 4. Waiver of Notice. Any Director may waive notice of any meeting. The attendance by a Director at a meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 5. Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board.

Section 6. Informal Action by Directors. Any action which may be taken at a meeting of the Board of Directors may be taken without a meeting if written consent to the action so taken is signed by all the Directors and filed with the minutes of the proceedings of the Board, whether done before or after the action is so taken.

Section 7. Chairman. A Chairman of the Board of Directors shall be elected by the Directors and shall preside over all Board meetings until the President of the Association is elected. Thereafter, the President shall serve as Chairman. In the event there is a vacancy in the office of President, a Chairman shall be elected by the Board of Directors to serve until a new President is elected.

Section 8. Participation in Meetings by Means of Conference Telephone. Members of the Board of Directors, or any committee of the Board, may participate in a meeting of the Board or of such committee by means of a conference telephone or similar communications device by means of which all persons participating in the meeting can hear each other, and participation by such means shall constitute presence in person at such meeting.

Section 9. Committees of the Board. The Board of Directors shall designate three (3) individuals, who need not be Members, to constitute an Architectural Control Committee as provided in the Declaration and may appoint other committees as it deems appropriate. The designation of any committee and the delegation thereto of authority shall not operate to relieve the Board of Directors of any responsibility or liability imposed upon it or him by law.

Section 10. Liability of the Board. The members of the Board of Directors shall not be liable to the Owners for any mistake of judgment, negligence, gross negligence, inexcusable neglect or otherwise except for their own individual willful misconduct, fraud or bad faith. The Owners shall defend, indemnify and hold harmless each of the members of the Board against all contractual liability to others arising out of contracts made by the Board on behalf of the Association unless any such contracts have been made in bad faith or in violation of the provisions of the Declaration or these By-Laws and be defended, indemnified and held harmless of all common law or tort suits for all covered claims as identified in the first sentence of this Section 10. It is intended that the members of the Board shall have no personal liability with respect to any contract made by them on behalf of the Association, except to the extent that they are Owner(s).

The indemnification and hold harmless rights provided herein shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any statute, bylaw, agreement, vote by Members or disinterested directors otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a directors officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

The Association may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability.

The Association's indemnity of any person who is or was a director, officer, employee or agent of the Association, or who is or was serving at the request of the Association, as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall be reduced by any amounts such person may collect as indemnification (i) under any policy of insurance purchased and maintained on his or her behalf by the Association, or (ii) from such other corporation, partnership, joint venture, trust or other enterprise.

Nothing contained in this Article, or elsewhere in there By-Laws, shall operate to indemnify any director or officer if such indemnification is for any reason contrary to any applicable state or federal law.

ARTICLE VII POWERS AND DUTIES OF THE BOARD OF DIRECTORS

Section 1. Powers. The Board of Directors shall have power to:

**ARTICLE XI
ASSESSMENTS**

As more fully provided in Article IV of the Declaration, each Member is obligated to pay to the Association annual and special assessments which are secured by a continuing lien upon the Lot against which the assessment is made. Any assessments which are not paid when due shall be delinquent. The Association shall have the option to declare the outstanding balance of any assessment due and payable if any installment thereof shall become delinquent as defined herein. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum or the maximum interest rate charge as may be established by the Board of Directors, but said rate shall not exceed the maximum rate allowed under the laws of North Carolina and shall be subject to late fees as approved by the Board of Directors and permitted by law. The Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot for which such assessment is due. Interest, costs, and reasonable attorneys' fees of any such action shall be added to the amount of such assessment. Each such Owner, by acceptance of a deed to a Lot expressly grants to the Association, its agents or assigns, the right and power to bring all actions against such Owner personally liable for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such lines, including foreclosure by an action brought in the name of the Association in a like manner as a Mortgage or a deed of trust lien on real property and such Owner hereby expressly grants to the Association a power of sale in connection with foreclosure of said lien. Such lien shall be in favor of the Association, which shall have the power to purchase the Lot subject to the lien at foreclosure and to acquire and hold, lease, mortgage and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non use of the Association Common Area or abandonment of his Lot. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage on a Lot. Mortgagees are not required to collect assessments and nothing in these By-Laws shall require that failure to pay assessments shall constitute a default under a Mortgage insured by the U. S. Department of Housing and Urban Development, the U.S. Department of Veterans Affairs or by any other governmental mortgage insurance program, such as those by the Federal Home Loan Mortgage Corporation, the Government National Mortgage Corporation or the Federal National Mortgage Association.

**ARTICLE XII

The Association shall have a seal in circular form having within its circumference the words: CEDAR LAKES HOMEOWNERS ASSOCIATION, INC. and the year of incorporation.

**ARTICLE XIII
AMENDMENTS AND CONFLICTS**

Section 1. Amendments. Unless a higher percentage is required for certain amendments by applicable law, the Declaration or the By-Law, the By-Laws may be amended by the affirmative vote or written ballot (as provided by law) of Members entitled to cast in the aggregate at least 51% of the votes of the Association, at a regular or special meeting of the Members, duly called for such purpose, in person or by proxy. Unless otherwise provided by the amendment, or as otherwise may be provided by applicable law, any amendment of the By-Laws shall be effective when approved in accordance with this Article XIII. Unless then required by applicable law, such amendment need not be set forth in an amendment to the Declaration duly recorded in the Office of the Register of Deeds in Wake county, North Carolina, in order to be effective. Notwithstanding any provision in this instrument to the contrary, as long as the Declarant controls the Association and if the Properties have been approved by the U.S. Department of Veterans Affairs ("VA") and/or the U.S. Department of Housing and Urban Development ("HUD") for loans guaranteed by the VA or HUD (but not otherwise), any amendment to these By-Laws may be vetoed by the VA or HUD.

Section 2. Conflicts. In case of any conflict between the Articles of Incorporation and these By-Laws, the Articles shall control; and in the case of any conflict between the Declaration and these By-Laws, the Declaration shall control.

**ARTICLE XIV
FISCAL YEAR**

The fiscal year of the Association shall begin on the first day of January and end on the 31st day of December of every year, except that the first fiscal year shall begin on the date of incorporation.

**ARTICLE XV
GENERAL PROVISIONS**

Section 1. Compliance with Statutes. These By-Laws are set forth subject to the requirements of Chapter 47F (the Planned Community Act) and Chapter 55A (the Non-Profit Corporation Act) of the North Carolina General Statutes, as amended, replaced and re-codified from time to time. In the event these By-Laws conflict with the provisions of said statutes, it is hereby acknowledged and agreed that the provisions of such statute shall control.

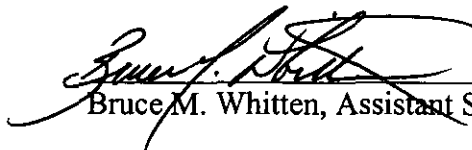

Section 2. Arbitration. Excluding claims for injunctive relief, all claims which shall be made against one or more members of the Board of Directors shall be settled by final and binding arbitration except as otherwise provided herein, in the Declaration or under any applicable law, and judgment upon the award may be entered in any court having jurisdiction thereof. Such arbitration shall be commenced upon the delivery of such claim, in writing, to one or more members of the Board; and shall be before one disinterested arbitrator if one can be agreed upon, otherwise before three disinterested arbitrators, one named by the Director(s), one by the Owner(s), and one by the

two thus chosen. The arbitrator or arbitrators shall determine the controversy in accordance with the laws of North Carolina as applied to the facts found by him or them. If the Director(s) or the Owner(s) shall refuse or fail to so name an arbitrator within thirty (30) days after written notice from the other party requiring the naming of an arbitrator, then the arbitrator so named by the party not in default hereunder shall have the power to proceed to arbitrate and determine the matters in controversy as if he or she were an arbitrator appointed by both parties for that purpose and his or her award in writing signed by him or her shall be final. The rules of procedure for the arbitration hearing may be adopted by the arbitrator(s). The arbitration proceedings hereunder shall be conducted in Raleigh, North Carolina and shall be concluded within one hundred eighty (180) days of the filing of the arbitration demand.
