CID-23-06, Revised sheets  
Town of Rolesville, NC

On behalf of Lennar, we provide to you a revised set of construction drawing plan sheets due to the changes requested for the amenity center. Our plan set shows the clouded areas that have changed. The revisions include:

- Revising the culdesac for Carved Stone Ct to include parallel parking spaces along the bulb, and
- Revising the parking lot in front of the future amenity to add 2 spaces

Sheets included in this set include:

- C-0 - Cover,
- C2-0 - Overall and C2-5 Enlarged Site Plan,
- C2-8 - Signage and Striping Plan,
- C3-0 Overall and C3-5 Enlarged Utility Plan,
- C4-0 Overall and C4-5, and C4-7 Grading Plan and storm table updates,
- C6-0 Carved Stone Ct. Plan and Profile

Please let us know if you have any questions.

Sincerely,
