ZEBULON: Town of Zebulon, NC Code of Ordinances: <u>Chapter 151</u>

WMCPA – ROLESVILLE, WENDELL, ZEBULON WATERSHED MANAGEMENT CONSTRUCTION PLAN APPROVAL

	1.	A mandatory preconstruction meeting is required between the owner, contractor, and Wake County prior to issuance of the Stormwater and Land Disturbance Permits. Please call to schedule this meeting at your convenience. Please contact Jeevan Neupane, PE, CESSWI at 919-819-8907 to schedule the preconstruction meeting.				
	2.	Grading, other than for installation of soil erosion and sedimentation control measures, is prohibited prior to the issuance of a Certificate of Compliance. [10-30-7(D)]				
	3.	Contractor shall follow plans strictly and maintain contact with Wake County prior to making any field modifications to erosion and sediment control devices. No devices shall be removed without prior approval from Wake County.				
	4.	Wake County's sedimentation pollution control program is <u>performance oriented</u> , requiring protection of the natural resources and adjoining properties. If at any time during the project it is determined that the Erosion and Sedimentation Control Plan is inadequate to meet the requirements of the Erosion and Sedimentation Control Ordinance of Wake County, this office may require revisions in the plan and its implementation to ensure compliance with the Ordinance.				
	5.	As of April 1, 2019, all new construction activities are required to complete and submit an electronic Notice of Intent (eNOI) form requesting a Certificate of Coverage (COC) under the NCG010000 Construction General Permit. After the form is reviewed and found to be complete, you will receive a link with payment instructions for the applicable annual permit fee. After the fee is processed, you will receive the COC via email. As the Financially Responsible Party shown on the FRO form submitted for this project, you MUST obtain the COC prior to commencement of any land disturbing activity. The eNOI form and fee details may be accessed at deq.nc.gov/NCG01 . Please direct questions about the eNOI form to the Stormwater Program staff in the Raleigh central office. If the owner/operator of this project changes in the future, the new responsible party must obtain a new COC.				
	6.	SUBDIVISIONS ONLY Builders are required to obtain grading permits for cumulative disturbance over one acre (including non-contiguous lots).				
North	Caroli	na General Statute § 113A-61 (c) - Right to Appeal the Decision				
	7.	The applicant has the right to appeal modifications of this decision per North Carolina General Statute § 113A-61(c).				
appro	val or s	COA - All Conditions of Approval (COA) must be completed and approved by Wake County prior to final plat ignoff of the Certificate of Occupancy (C.O.) for future building permits. Items required prior to final plat or nit approval are checked and listed below.				
\boxtimes	8.	As-Built Plans – Upon completion of required improvements, an as-built plan of required stormwater improvements must be submitted (must indicate that stormwater improvements were constructed in accordance with the approved plan).				
	9.	Maintenance Plan				
	\boxtimes	The developer must record and reference on the record plat, a maintenance plan providing instruction about annual maintenance tasks and associated costs for at least a 20-year period.				
	\boxtimes	It will be the responsibility of the property owners' association or lot owner to update the maintenance plan at least every 10 years.				
\boxtimes	10.	Maintenance Agreement				
		The developer must record and reference on the record plat, a maintenance agreement or restrictive covenant that sets for the property owners' association's or lot owner's continuing responsibilities for maintenance, including how cost will be apportioned among lot owners served.				

WMCPA – ROLESVILLE, WENDELL, ZEBULON WATERSHED MANAGEMENT CONSTRUCTION PLAN APPROVAL

		b. The maintenance agreement must provide that the association and its individual members are jointly and severable liable for maintenance.					
	All maintenance documents required must be submitted prior to record plat approval and						
\boxtimes	11.		on the record plat. For developments not requiring record plats, documentation must be submitted prior to				
		building permit issuance.					
	12.	Performance Guarantee – The municipality may not approve a record plat or issue a building permit until					
\boxtimes			stormwater improvements required of the developer have been completed or a performance guarantee has				
		been provided.					
Applic	able R	egula	tions				
\boxtimes	13.	Parties Responsible for Maintenance of Improvements					
			The developer must maintain stormwater improvements until accepted by a property owners' association				
	\boxtimes	a.	or lot owner. The developer must disclose which party will be responsible for continued maintenance on				
			the record plat.				
			Before improvements are accepted for maintenance by the property owners' association or lot owner,				
	\boxtimes	b.	the developer must certify to the property owners association or lot owner and the county that				
improvements are complete and functioning as designed.		improvements are complete and functioning as designed.					
\boxtimes	14.	Enforcement and Penalties					
	\boxtimes	Failure to complete required improvements or failure to maintain improvements as required by the					
		a. approved plan are violations and subject to a fine of up to \$1,000 per day.					
		Inspection of Stormwater Improvements – Wake County agents have the right to inspect s					
	\boxtimes	b.	determine whether stormwater improvements are being installed and maintained in compliance with the				
			ordinance.				
		Vali	Validity of Plan, Lapse of Approval – An approved erosion and sedimentation control plan is valid for 2				
\boxtimes	15.	cale	calendar years from the date of approval. If a land disturbance permit has not been obtained within the 2-year				
		period, the erosion and sedimentation control plan approval becomes null and void.					
\boxtimes	16.	Actions Required Prior to Land Disturbance					
			S&EC plan approval and land disturbance permit issued must be prominently displayed until all				
	\boxtimes	a.	construction is complete, all permanent sedimentation and erosion control measures are installed and				
			the site has been stabilized. A copy of the approved plan must be kept on file at the job site.				
		No person shall initiate a land disturbing activity until notifying Wales County of the data that the l					
		b.	disturbing activity will begin.				
\boxtimes	17.	Authority					
			County officials may enter any property, public or private, at reasonable times for the purpose of				
			investigating and inspecting the sites of any land-disturbing activity. No person shall refuse entry or access				
	\boxtimes	a.	to any authorized representative or agent for the County who requests entry for purposes of inspections,				
			and presents appropriate credentials, nor shall any person obstruct, hamper, or interfere with any such				
			representatives while in the process of carrying out their official duties.

WMCPA – ROLESVILLE, WENDELL, ZEBULON WATERSHED MANAGEMENT CONSTRUCTION PLAN APPROVAL

	Agents and officials of the County will periodically inspect land-disturbing activities to ensure compliant with the North Carolina Sedimentation Pollution Control Act, this article, or rules or orders adopted on issued pursuant to this article, and to determine whether the measures required in the erosion and sedimentation control plan are effective in controlling erosion and sedimentation resulting from land-disturbing activity.			Control Act, this article, or rules or orders adopted or whether the measures required in the erosion and			
		c.	-				
subje regu Corp	violation of the erosion and sedimentation control regulations of this article. 15A NCAC 2B.0714 – Due to the location of this project, it should be noted that a rule to protect and maintain existing buffers along watercourses in all of Wake County became effective in 2006. The Neuse River Riparian Area Protection and Maintenance Rule applies to all perennial and intermittent streams, lakes, ponds and estuaries in Wake County with forest vegetation on the adjacent land or "riparian area". In riparian areas with existing forest vegetation in the first 30 feet directly adjacent to the stream, the rule prohibits land disturbance,
